meeting was held on 25th April 2023 at Habitat Centre, New Delhi. Director Vilas Shende represented MMH in this meeting. He shared about MMH Community health and development projects and especially immunization drives conducted by MMH.

An Open Appeal

Dear Bishops /Pastors / Members of Congregation

"We place this appeal in front of you with a great vision to make Mure Memorial Hospital (MMH) rise to glory again. We are nearing 127 years since it was founded by Dr. Agnes Henderson in 1896. It has been working and kept alive till these many years due to efforts of all stake holders. Now because of stiff competition and commercial approach in running of the hospital we remain with "out of date standard." old unattractive buildings, old equipments, scarcity of doctors, professional staff and inadequate income to do the necessary development. Being in the heart of the city with a vast campus, It should be filled with people seeking medical help and doctors and hospital staff providing them services in the glory of God, thus who benefits from MMH will be a living witness to the Almighty.

We need your help to make it possible we need your prayers and financial support. We need urgent funds for infrastructure development, latest equipments and working capital for self sustainability with cumulative development. We are enclosing a detail proposal for your information with humble request to help MMH in whatever way you can. Any small or big donation is welcome. This is your hospital and it's time for you to step up and help."

We are looking forward to your favorable response,

Bishop Paul Dupare
Chairperson

Vilas Shende
Director/Secretary
